For queries related to DSO generators please contact ESB Networks at DSOGenerators@esb.ie

CHP:	Combined Heat and Power
AD Biogas:	Anaerobic digestion (AD) biogas (excludes biogas from landfill sites)
LFG:	Land Fill Gas
MEC:	Maximum Export Capacity
On Hold:	Project has been placed on hold, typically at the customer's request
Connected/Energised:	Generators with electrical connection to the network
Contracted:	Generators that have signed a connection agreement with the System Operator and are committed to exporting MW's to the distribution and/or transmission system at a future date.
Live Connection Assessment	Community-led generators that have been issued with a Distribution System Operator (DSO) connection assessment. The capacity will be held for two years to gain planning permission.
